Chapter 1 by Jack Frost

Today is the day my life ends.

They say if you make a deal with the devil your wish would come true.

So i made a deal with the devil.

My sister was dying.

She had her whole life planned out, just to be disappointed.

She found out she only had a year left to live.

I wasn't about to let my sister die.

.....
Our deal was that in one year either my sister would die.

Or i would join him in hell, and become his servant.

I made this deal for my sister.

.....
Today marks the day he comes back.

Tonight at twelve o'clock he comes for an answer.

Tonight i will make my decision.

.....
Join the dance with the devil
